RE: Recommendation of AGM Group Engineering Corp.

I'm pleased to have the opportunity of providing a reference for AGM Group Engineering Corp. We have had nothing but exceptionally fine dealings with them. Deadlines were always met, and the quality of their work has been superb. The few times we had to ask for changes, they were carried out quickly and cheerfully. It is probable that others have had similar experiences with AGM Group. I can only say that we are very pleased with their work.

If I can provide additional information, please don't hesitate to ask.

Sincerely,

Francisco J. Colón, PE
