LETTER OF RECOMENDATION AND APPRECIATION

To whom it may concern:

I'm very glad to have the opportunity to recommend AGM Group Engineering Corp. I have known the performance of AGM Group Engineering Corp. for the past year and they have become a key piece of the Caribe Hilton Hotel Reconstruction Project.

AGM Group has not only provided us with a well selected group of talented craftsmanship but also a very organized project management skills with an unlimited capacity of just "Getting the Job Done" within the expected time. Their serious commitment, professionalism, clear mind of what is the best for the project and open communication has gain our most sincerely respect and our trust.

May you need additional information or have any questions, please don't hesitate to contact the undersigned.

Sincerely,

Jose M Lopez Linares, BSCE

Project Manager.
